**PHILIPS**

**Saeco**

# Highlights

## Coffee customisation

Saeco machines offer you the possibility of customising your coffee exactly the way you like it - from the most intense espresso to a mild cup of long coffee.

## Compact and stylish

Compact and stylish, the Syntia coffee machine is designed to delight both your palate and your eyes - the perfect fit for a modern kitchen.

## Espresso and cappuccino

Whether you want to enjoy an espresso, a cappuccino or a long coffee, your specialities are accessible at the touch of a button

## Adjustable grinder

5 adjustable grinding preferences, from the finest for a full-bodied espresso to the coarsest for a lighter café crème.

## Ergonomic day to day

Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box or the drip tray, all compartments of the full automatic coffee machine are directly accessible.

## One-click removable group

The brewing group – a Saeco invention - is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

## Auto cleaning and de-scaling

Easy to use and easy maintenance: Thanks to the automatic cleaning and descaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

## Automatic milk function

With the integrated milk frother, all you have to do is fill it with milk and simply press the cappuccino button. Your drink will be served within seconds as creamy, frothy milk will be poured automatically into your beverage.

## Colour coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are coloured according to the traffic light colours: Red requires action, Yellow means the coffee machine is "busy" (e.g. heating up) and Green is ready to use.
